AHMAD WEHBE

NETWORK ENGINEER | FULLSTACK WEB DEVELOPER

(313) 654 3965   ahmad.vbe@gmail.com   www.linkedin.com/in/ahmad-wehbe
Inkster, Michigan

OBJECTIVE

Results-driven Network Engineer and Full Stack Web Developer with over 10 years of hands-on experience in network infrastructure and web development, seeking opportunities to leverage my skills in deploying responsive websites and managing network systems.

PROFESSIONAL EXPERIENCE

7/2024 - Present   Network Engineer | Detroit Housing Commission, Detroit, MI 48207
- Implement network infrastructure and provide ongoing support.
- Conduct site surveys for wiring, power, and equipment placement.
- Install wiring, drop cables, and network equipment.
- Configure and integrate Fortinet devices including FortiSwitches, FortiGate, FortiAP, FortiPhones

10/2021 - 08/2022   Network Engineer | Bouygues Telecom, Paris - bouyguestelecom.fr
- Conducted equipment swaps, replacing outdated switches with NE8000 models.
- Built configuration files and implemented new network architecture.
- Configured Nokia 7750 routers and NE8000 switches via SSH for operations and troubleshooting.
- Proficient in BGP, ISIS, MPLS, and Nokia VPN services.
- Deployed and maintained data center fabrics for optimized performance.
- Used tools: Kibana, KeepAlive, Secure CRT, Teams

08/2018- 6/2024   Full stack Web Developer | Echo Valley online Solutions , Lebanon - echovalley.net
- Designed and implemented several web pages and Mobile applications, utilizing **React** and **React Native**
- Integrated **Clerk** for user authentication, ensuring secure access and user management.
- Leveraged **Next.js** for server-side rendering and improved performance across applications.
- Managed data with **MongoDB**, **Appwrite**, and **PostgreSQL** for efficient storage and retrieval.
- Integrated **Stripe** for seamless online payment processing, enhancing e-commerce functionality.
- Developed applications using **TypeScript** and **JavaScript**, ensuring robust type safety and improved code quality.

08/2015- 04/2018   Front-End Developer | WZ Creatives, Lebanon - wzcreatives.com
- Developed responsive web applications using **HTML5**, **CSS**, and **JavaScript**, ensuring cross-browser compatibility and optimal performance.
- Utilized **Tailwind CSS** to create modern, utility-first designs, significantly reducing the time spent on styling and improving maintainability.
- Collaborated with UI/UX designers to implement intuitive user interfaces, enhancing user experience and engagement.

04/2013- 05/2015   Software Engineer | Compu-vision, Lebanon - compu-vision.me/
- Built interactive web applications using **Object-Oriented JavaScript** and **React**, enhancing user interface and experience.
- Created reusable components and implemented state management using **Redux**, adhering to OOP principles to ensure code modularity.

EDUCATION

2008-2013 Master in Information and Telecommunication Engineering | Antonine University, Baabda, Lebanon
2008 Lebanese Official Baccalaureate (Life Science) | College Sacre Coeur, Gemmayze, Lebanon
